Modified and approved at the 80th university senate meeting, December 25, 2013

Modified and approved at the 81st university senate meeting, March 18, 2014

1. These directions were stipulated according to the school rules of our university to transact the related things about the preserved admission of students.
2. Freshmen in any one of the following situations may attach the related documents to serve as proofs and preserve the admission qualifications after reporting to school for approval.
 - (1) Severe illness need to attach the proof from public hospitals or hospitals with levels higher than regional
 - (2) Candidates for military services should attach the copy of summons for military services
 - (3) Related proof or documents should be submitted owing to the reasons of pregnancy, giving birth to children, and breeding children (from age 0 to 3)
 - (4) Overseas students who cannot check-in to register in time for some reason
 - (5) Agreements from parents or guardians should be attached for special incidents or accidents

Students applying for preserved admission according to points 1, 3, and 5 described above should attach the copy of summons for military services and apply for continuous qualification of preserved admission until completing the military services.

3. Admission notification, graduation diploma, photocopy of identity card, military document, and enrollment form should be submitted in addition to the proof attached to apply for preserved admission.
4. Those who conforming to the preserved admission qualifications may obtain the application sheets for preserved admission qualifications from registration group. After transact step by step, school will provide freshmen with the approval for preserved admission qualification after approved.
5. When the time period for preserved admission qualifications are about to expire,

students should bring preserved admission qualification approval to apply for admission in school.

6. Students transferred from other departments, directly studying for Ph. D degree, special classes for workers to study master degrees and admission from other paths with related provisions may not allow students to preserve admission.
7. These regulations are approved by the senate meeting and confirmed by principal before implementation. The amendment should also follow the same procedures.
