1. These regulations were stipulated according to article 53 of school regulations in our university.
2. Undergraduate students may apply to graduate in advance for one semester or one academic year if his or her grades conform to the following criteria.
 - (1) Average grades of every subject in each semester are all no less than 80.
 - (2) Conduct grades in each semester are no less than 80.
 - (3) The academic grade ranking of each semester should all be within the top 10%.
3. Students who live up to the provisions above may apply for early graduation within one week after the dropping or adding of courses start or 15th to 16th in the end of the semester before stipulated study period for 1 semester or 1 academic year. Those who apply for graduate in advance for 1 semester should complete "Early graduation application sheet" and attach transcript as well as the course choosing proof of that semester to apply to registration group. Those who apply for graduate in advance for 1 academic year should complete "Early graduation application sheet" and attach transcript, the course choosing proof of that semester, and the course plan application sheet to apply to registration group.
4. Registration group will sort out the application sheets and send them to each department to undergo the preliminary trial for graduate qualifications. After confirmed by department, the application would be sent to office of academic affairs for review. After passing the verification, the students that applied for early graduation would be listed in the rolls of conferring diploma in that semester and submit to principal for signoff.

5. After being approved, the application can't be cancelled for any reasons.

6. These regulations were approved by University Senate and submitted to principal for approval. Implementations were allowed after principal's approval. Any amendment is thereto.
