Modified and approved at the 11th university senate meeting, June 22, 1994
Modified and approved at the 18th university senate meeting, October 8, 1996
Modified and approved at the 25th university senate meeting, October 29, 1998
Modified and approved at the 30th university senate meeting, November 14, 2000
Modified and approved at the 44th university senate meeting, September 7, 2005
Modified and approved at the 74th university senate meeting, June 1, 2012

- 1.To the standard of teaching learning, the essential was stipulated.
- 2.The teaching survey contents should be formulated by each department or institute after consulting the opinions from teachers and students in each department or institute.
- 3.Interim teaching surveys would be conducted before the mid-term exams. Teaching surveys in the end of the semester would be held between the pre-selection of courses in the next semester to the end of semester exams.
- 4.The teaching surveys for all subjects should be conducted on all subjects of each teacher.
- 5.The implementation methods for teaching surveys are to compile all the related opinions by systematic programs that analyze statistics after students completing the questionnaires on the Internet.

Students should complete teaching surveys previous to “Online course pre-selection” in order not to affect operation process.

- 6.After conducting teaching surveys, the results would be available for each teacher before the starting date for courses in the next semester.

7. Office of Academic Affairs may get the statistics of the teaching survey data of each department and institute to serve as the references for provost and principle.

8. Each department and institute should regularly review their teaching performance based on the results of teaching survey to improve the quality and standard of teaching.

The results of teaching survey should be used in the implementation of teaching tutoring to elevate teaching quality according to “Teaching counselling approaches for teachers” in our university.

9. These regulations were approved by University Senate and submitted to principal for approval. Implementations were allowed after principal’s approval. Any amendment is thereto.
