

## **Reward Essentials for Students with Excellent Academic and Behaviors of National Yunlin University of Science and Technology**

Modified and approved at the 25th university senate meeting, October 29, 1998

Modified and approved at the 28th university senate meeting, October 27, 1999

Modified and approved at the 32nd university senate meeting, November 14, 2001

Modified and approved at the 14th university senate meeting, April 14, 2004

Modified and approved at the 44th university senate meeting, September 7, 2005

Modified and approved at the 73rd university senate meeting, April 20, 2012

### 1. Purpose :

To encourage students to cultivate goodness and diligence of students and educate students to follow good learning atmosphere and university motto, these essentials were stipulated.

### 2. Honorees and criteria:

All students in university departments who study for bachelor degrees (extended study period is not included) with behaviors in the previous semester conform to the following criteria:

(1) Rank top 3 in academic subjects in class and without any failed subjects or any one subject grade not submitted.

(2) The credits obtained in original department (required subjects) conform to the specifications for credit hours in Article 22 and 23 in study rules.

(3) Behavior performance scores no less than 80 and not punished and without absenteeism records.

(4) The sports scores should be no less than 70.

3. Within 1 month after the start of each semester, Office of Academic Affairs will propose student lists conforming to the reward essentials and cooperate with Student Affairs Office to review (students who have already leave university will be delisted without recurrence). After all the works are completed, the list will be submitted to the principal for approval and announcement.

4. The rewards include the awards promulgated by principals in the public meetings in university to those who rank the top 3 in each class. Students who rank first could reduce tuition and fees for 7000 NTDs. Students who rank second could reduce tuition and fees for 5000 NTDs. Students who rank third could reduce tuition and fees for 3000 NTDs. Students who already have graduated will merely be rewarded with awards.

5. These regulations were approved by University Senate and submitted to principal for approval. Implementations were allowed after principal's approval. And any amendment is thereto.
